## Components for Creating Membership Sites

1. Domain Names
2. Hosting Account
3. Membership Script
4. Minisite Design
5. Website Content  
Other Resources..
6. Making Your Site Profitable
7. Membership Site Examples

## **1. Domain Names**

You will need a domain name (eg. MembershipProfitsUnleashed.com) for your website. The only place I use for domain names is [NameCheap](#). The site is attractive and easy to use. Or if you pay for the yearly hosting account with ZootHost you can get a free domain name.

## **2. Hosting Account**

Your hosting account stores your sites pages online for viewing. [ZootHost](#) is highly recommended for membership sites as they are membership and traffic exchange friendly hosting and allow you to send emails.

## **3. Membership Script**

Your script will be the foundation of your membership website. These recommended scripts are very reliable and are the perfect way to make money online. You can choose our recommended simply yet highly powerful [Membership Site Script](#), or you may want a profitable [Traffic AdExchange Script](#) site, or use the [Traffic AdBoard Script](#) site.

## **4. Minisite Design**

You will need to needContact Phil @ CoolSiteGraphics.com for all of your [Minisite Design](#) requirements.

## **5. Website Content**

Most Membership Scripts come with content that is very basic or none at all. To make your site unique and attractive to visitors, you will need to have some great looking and well designed content. Contact Phil @ CoolSiteGraphics.com for all of your [Minisite Design](#) requirements.

## **6. Making Your Site Profitable**

The recommended scripts all come with a lot of great features and ways to make money. One of the most profitable parts of your membership site will be the One Time Offer or also known as the OTO. You can also make money from placing your favourite Affiliate Program banners and links throughout your site. You will need a [Paypal](#) or [Alertpay](#) account to accept payments. Search [Clickbank](#) or [PayDotCom](#) for affiliate products to

promote.

## **7. Membership Site Examples**

These are sites I have designed and set up using all of the above resources. Here are the sites I have created using the [Traffic AdExchange Script](#)  
> [PromoCodeTraffic.com](#) > [Affiliate-Traffic-Builder.com](#)

This site is using the [Traffic AdBoard Script](#)  
> [PostAdsDaily.com](#)

These sites are using the [Membership Site Script](#)  
> [IMSoftwareDownloads.com](#) > [AdSitesForSale.com](#)
